**14. Project identification :-** Either the Infrastructure Development Authority or the Government Agency or the Local Authority may identify or conceptualise any Infrastructure Project. If the Authority identifies or conceptualises any Infrastructure Project, then the same will be referred by the Authority to the concerned Government Agency or the Local Authority for its consideration and further action. If the Government Agency or Local Authority identifies or conceptualises any infrastructure project, then the same will be referred to Infrastructure Development Authority for its consideration, evaluation and further action as may be required.

**15. Prioritisation of Projects:-** The Infrastructure Development Authority will prioritise projects based on demand and supply gaps, inter-linkages and any other relevant parameters and create a project shelf

**16. Recommendations by the Infrastructure Development Authority:-** The Government Agency or the Local Authority in accordance with the advice recommendations and suggestions of the Infrastructure Development Authority shall submit the project to the Government along with proposed concession agreement relating thereto for its consideration and sanction.

**17. Sanction by the Government:-** The Government shall consider the proposal submitted by the Government Agency or Local Authority and the proposed concession Agreement and either accept the proposal and Concession Agreement with or without modification or return of the proposal and concession agreement to the Government Agency or the Local Authority for reconsideration or reject the proposal within such time as may be prescribed. The Government Agency or the Local Authority will take suitable action on the decision taken by the Government on the proposal and the concession agreement including revising and resubmitting the proposal and the concession agreement if returned by the Government for reconsideration by the Government Agency or the Local Authority.

Provided that if the Bidder whose proposal submitted for sanction is not in a position to implement the project, the Government may at the request of the Government Agency or the Local Authority with the approval of the Infrastructure Development Authority consider the proposal of the Bidder offering the second most competitive bid for sanction.

**18. Consultant selection:-**The Government Agency or the Local Authority shall ensure adequate competition in the consultant selection process for any project. They may, frame the terms of reference for consultant studies and in case of Category II projects and present the same for approval and modification if necessary, by the Infrastructure Development Authority.

Provided that in the case of such selection process adequate weightage shall be given to the technical capabilities.

**19. Developer selection processes:-** The Government Agency or the Local Authority may adopt appropriate Developer selection process including any of the following process, namely:-

**(I) DIRECT NEGOTIATIONS:**

(i) The Government Agency or the Local Authority may directly negotiate with a Bidder for implementing;

(a) Category -I projects initiated by a Bidder; or

(b) the projects which involve proprietary technology, or franchise which is exclusively available with the Bidder globally; or

(c) the projects where competitive bid process has earlier failed to identify a suitable Developer; or

(d) the projects in prescribed social infrastructure sectors where a non-profit organisation seeks to develop a project; or

(e) a linkage infrastructure Project with the concerned Mega Infrastructure Project.

(ii) In case a developer is selected through direct negotiations, the Government Agency or the Local Authority may renegotiate the financial offer or recommend that all subsequent procurement for the project is made through the competitive bidding, procurement process, the cost of the project be determined after such competitive bidding procurement process and renegotiate the financial offer based on the revised cost of the project.

**(II) SWISS CHALLENGE APPROACH:**

(i) The Swiss Challenge Approach will be followed in any project belonging to Category-II initiated by a private sector participant who is hereinafter referred to as 'Original Project Proponent', by a *suo-motto* proposal.

(ii) The Original Project Proponent must submit to the Government Agency or Local Authority:-

(a) details of his technical, commercial, managerial and financial capability;

(b) technical, financial and commercial details of the proposal;

(c) principles of the concession agreement.

(iii) The Government Agency or the Local Authority would first evaluate the original Project Proponent's technical, commercial, managerial and financial capability as may be prescribed and determine whether Original Project Proponents capabilities are adequate undertaking the project.

(iv) The Government Agency or the Local Authority shall forward such *suo-motto* proposal to the Infrastructure Development Authority along with its evaluation within prescribed time for the approval of the Infrastructure Development Authority.

(v) The Infrastructure Development Authority would then weigh the technical, commercial and financial aspects of the Original Project Proposal and the concession agreement along with the evaluation of the projects by the Government Agency or the Local Authority and ascertain if the scale and scope of the project is in line with the requirements of the State and whether the sharing of the risks as proposed in the Concession Agreement is in conformity with the risk-sharing framework as adopted or proposed by the Government for similar projects, if any and if the project is in conformity with the long term objective of the Government.

(vi) If the Infrastructure Development Authority recommends any modification in the technical, scale, scope and risk sharing aspects of the proposal or the Concession Agreement, the Original Project Proponent will consider and incorporate the same and resubmit its proposal within the prescribed time to the Government Agency or the Local Authority.

(vii) If the Infrastructure Development Authority, finds merit in such *suo-motto* proposal, the Infrastructure Development Authority will then require Government Agency or the Local Authority to invite competing counter proposals using the Swiss Challenge Approach giving adequate notice as may be prescribed. The original Project proponent will be given an opportunity to match any competing counter proposals that may be superior to the proposal of the Original project Proponent. In case the original Project proponent matches or improves on the competing counter proposal, the project shall be awarded to the original Project Proponent, otherwise the bidder making competing counter proposal will be selected to execute the project.

(viii) In the event of the project not being awarded to the original Project proponent and being awarded to any other Bidder, the Government Agency or the Local Authority will reimburse to the original Project proponent reasonable costs incurred for preparation of the *suo-motto* proposal and the Concession Agreement. The *Suo-motto* proposal and the Concession Agreement prepared by the Original Project Proponent shall be the property of the Government Agency or the Local Authority as the case may be.

(ix) The reasonable costs of preparation of the *suo-motto* proposal and the Concession Agreement shall be determined as per the norms prescribed by the Government and shall be binding upon the Original Project Proponent.

(III) COMPETITIVE BIDDING.

(i) Competitive Bidding will be adopted in all Projects initiated by the Government Agency or the Local Authority. The notice inviting participation will be adequately publicised by the Government Agency or the Local Authority as may be prescribed.

(ii) The bid process will be designed to assist and ascertain, technical, financial, managerial and commercial, capabilities of the Developer.

(iii) In case of a two stage process being adopted for a Mega Infrastructure Project, the Government Agency or the Local Authority may require all Bidders to obtain from their Prospective Lenders, financial terms, expectations regarding State Support, comments on the Concession Agreement and other project documents (hereinafter called "Deviations").

(iv) Any Deviations proposed shall be enclosed in a separate envelope and shall not be part of the envelope containing the financial or the commercial offer with regard to a Project. The procedure for determining the common set of Deviations and the effect to be given to such common set of Deviations shall be as may be prescribed.

(v) All proposals shall be opened and evaluated at a common platform in a free and fair manner.

(vi) It will be open for the Government Agency or the Local Authority to adopt one or two stage process depending upon the complexity of the project.

(vii) The Government Agency or the Local Authority will periodically inform the Infrastructure Government Authority of the progress of all Projects undertaken through a two-stage bid process.

**20. Approval of contract principles:-** In case a model contract for a Sector has not been adopted or in case there are Deviations proposed vis-a-vis the approved model contract for a Sector, then, the Infrastructure Government Authority will formulate or approve the contract principles as the case may be.

**21. Section criteria:-** The Government Agency or the Local Authority will first satisfy itself about the technical ability of the Developer to undertake and execute the Project and will follow,-

(a) One or combination of one or more of the following criteria for Developer selection through competitive bidding in Build Own Operate and Transfer, Build Operate and Transfer and Build Own and Operate Projects,-

- (i) Lowest bid in terms of the present value of user fees;

(b) For Build Transfer, Build Lease and Transfer and Build Transfer and Lease Projects selection criteria used will be the lowest net present value of payments from the Government.

(c) Such other suitable selection criteria the Infrastructure Government Authority may allow or determine.

**22. Treatment of Sole Bid:-** In case of the competitive bidding process resulting into a Sole Bid, the Government Agency or the Local Authority shall in consultation with the Infrastructure Government Authority, either,-

- (i) accept the Sole Bid, or
- (ii) re-negotiate financial offer, or
- (iii) reject the Sole Bid.

**23. Treatment of limited response:-** In case the competitive bidding process does not generate sufficient response and if even a Sole Bid is not received, then the Government Agency or the Local Authority shall in consultation with the Infrastructure Government Authority either,-

- (i) modify either the pre-qualification criteria and/or the risk sharing provisions and restart the bid process; or
- (ii) may cancel the competitive bid process; or
- (iii) in case of (ii) above, may have direct negotiation with any Private Sector participant.

**24. Treatment of Bid submitted by a consortium:-** (i) All proposals submitted by a Bidding Consortium shall enclose a memorandum of understanding executed by all consortium members setting out the role of each of the consortium members and the proposed equity stake of each of the consortium members with regard to a Project.

(ii) The lead Consortium Member of a pre-qualified Consortium cannot be replaced except with the prior permission of the Infrastructure Government Authority and which permission will be considered only in case of acquisition or

merger of the Lead Consortium member Company. Further, after a Bidding Consortium is selected to implement any Project, the Lead Consortium member shall maintain a minimum equity stake of 26% for a period of time, as specified in the Sector Policy or the Concession Agreement.

(iii) Replacement of other Consortium Members may be permitted, provided the same is not prejudicial to the original strength of Consortium as determined in course of the evaluation of original bid or proposal.

(iv) Any change in the shareholding or composition of a Consortium shall be with the approval of the Infrastructure Government Authority.

**25. Speculative Bids:-** The Government Agency or the Local Authority with the approval of the Infrastructure Government Authority will be entitled to treat the speculative or unrealistic bids as non-responsive and reject the same.

**26. No negotiation on financial or commercial proposal:-** Save as otherwise provided in the Act the Government, or the Government Agency or the Local Authority will not negotiate with the Bidder on the financial or commercial aspect of the proposal submitted by the Bidder.

**27. Bid Security** (1) The Bidder will be required to submit a bid security along with proposal for undertaking the Infrastructure project, the bid security amount will be determined based on the Project cost by the Government Agency or the Local Authority.

(2) The procedure for refund of bid security will be specified in the request for proposal. In any event, the bid security of unsuccessful Bidder would be returned with 30 calendar days from the date of selection of the Developer.
